

Violeta Curriculum vitae

Violeta started dancing ballet at the age of four years old but started at a serious level when she was twelve. This was at the time when she got her governmental scholarship for the ballet. During her education stay at the academy she took part in different ballets such as The Nutcracker, Swan lake, Sleeping Beauty, Cinderella & Giselle.

In total her education lasted for eight years, including the fundamental ballet school which the students take part in parallelly to the elementary school. After that she also educated her self as a dance pedagogy where she danced in the different styles such as Contemporary, Jazz, Traditional folk dance, Tango and Hip Hop.

Violetta started teaching dance classes already at the age of fourteen years. She has worked for various dance schools in Serbia and Sweden.

In 2003 Violeta resettled in Sweden and continued her studies at the Ballet Academy in Gothenburg. She is also one of the main teachers and founders of Art Dance which is a dance school located in Falköping, Sweden.

Violeta has performed and choreographed together with other big artists and legends in the Swedish entertainment industry and has an international and Swedish judgement license. Violeta has great experience in dance education since she has been teaching the art of dance for over 25 years and with more than 10.000 dance students, she can proudly claim to be a very experienced dancer and dance teacher.
